

NEW FOR 2023!

STOP relying on myths and opinions on Social Media!

3 NEW COURSES

Short Courses / Video clips on:

1. Consumer Protection Act 68 of 2008:

A must for motor dealers, suppliers, second hand dealers and most businesses providing goods and services. Prevent the danger of a fine imposed on you if you are in contravention of the Act. In terms of Sections 55 and 56 of the Act an implied warranty of 6 months is provided on goods and services to a Consumer. We provide video clips that can be utilized by yourself and/or training of staff edited by skilled attorney(s) who specialize in the Consumer Protection Act. Submit your order now for only R650.00 and you will get a set of two video clips of 20 minutes each. Contact our office today!

2. POPI ACT (Protection of Personal Information Act of 2013)

When may I be requested for my own personal information and when not? How do I comply to the POPI Act? Practical questions are answered in two video clips edited by attorneys who practise law. Contact us for two video clips of 20 minutes each at only R650.00.

3. RICA ACT (Regulation of Interception of Communication Act 13 of 2000)

Discover the danger of this Act. Are you allowed to record a person without his consent? What does the Act say and will such evidence be admissible in a Court of law? For two video clips of 20 minutes each by attorneys who practise law and have specialised knowledge and skills in this field contact our office now for full details! The two video clips of 20 minutes each are available for only R650.00.
